FAQ'S

AT OUR ASHFORD
STUDIO

WHAT DOES A TYPICAL PARTY LOOK LIKE?

Our most popular party is a ground and aerial party. We would typically spend 45mins on ground skills, then 30mins for food, then 45mins on aerial skills. However this is super flexible and we go with the flow! If you aren't having food, we'll do an hour of each activity type.

IS CATERING AVAILABLE?

You are welcome to self cater or order takeaway for your party. We provide tables and chairs, please bring your own table cloths/decorations and plates/cutlery. Food must be consumed and tidied away within your booked timeslot.

CAN I BRING A CAKE?

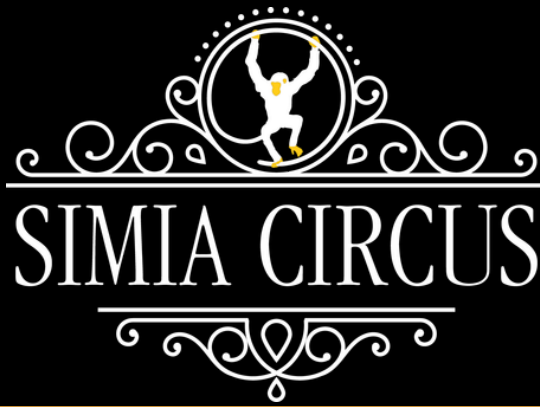

Of course you can! Cakes and candles are welcome, though please no sparklers or walking around with lit candles. You will need to bring matches and a knife.

IS THERE TEA AND COFFEE FOR ADULTS?

Unfortunately not. We don't have the facilities, though you are welcome to bring your own but please keep drinks off the mats

HOW STRICT IS THE HEIGHT LIMIT FOR FLYING TRAPEZE?

1m 35cm is the required height to safely take part in a flying trapeze party. Guests must meet the height limit.
